Dear Colleagues,

This is a reminder that the UF Negotiations Team will be holding our impasse informational sessions tomorrow (12/3) at both Fullerton College and Cypress College. We will be discussing where we are in negotiations and what an impasse process means.

Fullerton College: 3:00-4:00 pm, Room 1413

Cypress College: 5:00-6:00 pm, Humanities 302

As always, we will continue to keep you posted with the most up-to-date information by sending out a recap from the sessions within 24 hours, along with the data and charts that we will be sharing.

We hope to see you tomorrow at one of the sessions.

In Solidarity,

Mohammad M. Abdel Haq, M.A.
