Dear Colleagues,

I want to give everyone an update about our progress so far. A new UF negotiating team has been appointed, and we'll be asking the District to begin negotiations as quickly as possible this semester.

United Faculty's new negotiating team is, Mohammad Abdel Haq (lead negotiator), Steven Estrada, Nicole Ledesma, Jeremy Peters, and Liz Putman.

United Faculty's grievance representatives are Linda Borla (Cypress) and Kevin Sampson (Fullerton), NOCE either Kevin or Linda. Please contact your grievance representative with any issues you are concerned about or contract questions you might have.

I've asked the District to provide each member with a hard copy of the UF Contract, per Article 1.3.5.2. In the meantime, I've attached a copy of the current contract for your convenience. Although the date on the contract has expired, the terms and conditions of our contract remain in full force.

In addition, UF will be getting a new website as soon as possible in order for everyone to have consistent communication and access to information.

All UF meetings are open to all members unless a closed session is required. Our next EBoard meeting is in two weeks on October 9 from 3:00-5:00 at the Anaheim campus, room 105.

If you have any questions, please email me at cdiepuf@gmail.com.

Thank you!

Christie
