Dear Colleagues,

Thank you for your support during my first semester as United Faculty President. All of the emails and personal conversations have been incredibly encouraging, and the amount of unity coming from all three campuses is powerful. Our unity of purpose will serve us well as we move forward in our shared goal of salary and benefits comparability.

CTA has provided a team of experts to work with us, and we will keep everyone informed on developments over the next few weeks.

Thank you again, and I wish everyone a wonderful and restful winter break.

Sincerely,

Christie
