Scheduling MOU Update

Dear Colleagues,

As we start the Spring 2024 semester, I want to give an update on scheduling for Fall 2024. UF is currently in negotiations for an extension of the existing 2023/2024 flexible scheduling MOU. Please note that this extension MOU will cover Fall 2024/Spring 2025; therefore, **scheduling should not take place until the MOU is finalized and then ratified by members**. We anticipate sending out the new MOU within the next two weeks for member ratification. UF will update you when to watch your email for a Simply Voting ballot.

The current Flexible Scheduling MOU may be reviewed at our UF website:

In addition, UF is continuing negotiations for our 2024-2027 Contract (Collective Bargaining Agreement), including benefits and salary. As soon as we have further information, we will notify the membership.

UF is looking forward to a positive new year, and I want to thank everyone again for the support and unity that makes us a strong United Faculty.

Together We Rise!
