Good Morning, Colleagues,

As I mentioned in my last email, full-time United Faculty members should be expecting an email today with a survey link.

This survey is being conducted to assess the impact of the COVID-19 crisis on NOCCCD's full-time faculty and their family members. Collecting this data helps United Faculty's bargaining team address equity-related matters and other items of concern during negotiations of a temporary MOU with the District; and in turn, improve our working conditions/compensation.

We encourage you to answer all questions to the best of your ability; and to type in additional comments whenever possible to address any other concerns related to the impact of the COVID-19 crisis. While the raw data will become available for our members, participants will be kept anonymous, as we are not asking for any identifying information.

The survey link is coming from UNITED FACULTY OF NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT via Simplyvoting.com. The survey should take less than 10 minutes to complete, and it closes at 5:00 pm on Thursday, 4/30/2020. It will be sent to whatever email address you received the voting email with. Please check your spam, trash, etc.

Please contact Jane Walker at jwalkeruf@gmail.com if you experience any problems.

In Solidarity,
