Good Morning Colleagues,

As UF Lead Negotiator, I am emailing you a quick update.

- The 2019/2020 Successor Proposal was emailed this morning to Irma Ramos, Vice Chancellor of Human Resources. I attached it to this email.
- Per Article 1.3.4.2 and 1.3.4.3, "the Board shall hold public notice of such proposals at the next regular Board of Trustees' meeting following the receipt of such proposals" and "within ten (10) working days of satisfaction of the public notice requirements, negotiations shall commence at a mutually acceptable time and place."
- Meanwhile, we already requested a meeting with the district to get back to the negotiations table to try to wrap up the 2018/2019 negotiations as soon as possible.

In Solidarity
